

EARLY YEARS: **GOOD AUTISM PRACTICE**

– *Maintained Nurseries, School EYFS & PVI's*

INSPIRE Autism Team are hosting an accredited Autism Education Trust opportunity. This training is within the *Universal Offer, Ordinarily Available Framework* and is for staff in **Hammersmith & Fulham Early Years setting/school** who **work with autistic children**. It provides practitioners with **practical strategies** when working with autistic children.

The aims of '**Good Autism Practice in Early Years**' to support practitioners who work directly with autistic children to:

- ✓ Develop their knowledge and understanding of good autism practice.
- ✓ Reflect on and improve their practice in working with autistic children
- ✓ Understand strategies and approaches they can draw upon for autistic children
- ✓ Consider how to involve the autistic child and their family in the child's education.
- ✓ Enhance and embed inclusive practice for autistic children

Delegates will need to register to attend one session for each of 2 parts
