

Moving on up

A guide for parents with children
transferring to secondary school in 2023

Apply online:
**[www.lbhf.gov.uk/
eadmissions](https://www.lbhf.gov.uk/eadmissions)**

The Pan-London eAdmissions site opens
on 1 September 2022.

If your child is currently in Year 6 and born
between 1 September 2011 and 31 August
2012, you will need to apply for a secondary
school place by 31 October 2022.

Welcome

Dear Parents and Carers

Starting secondary school is an exciting time in every child's life, and to help you make a decision about which school is the best fit for your family we have put together this *Moving on up* information guide, along with our *Hints and tips* booklet.

Choosing a secondary school is an enormous decision, and we want to make sure you have all the information you and your child need to help you make the right choice.

We have a broad range of schools here offering a comprehensive range of opportunities, and we are proud that our secondary school pupils make above national average progress. Our teachers and school staff work hard to not only attain impressive standards, but to ensure that every child is fully supported with their development and well-being. Competition for places is high, but I'm confident that there is a local secondary in Hammersmith & Fulham that can inspire your child to achieve their best while enjoying a vibrant school community.

Before you make your choices, I'd recommend taking some time to visit our local schools, as every secondary school will have something different to offer, and what is right for one child may not be right for another. Open evenings and mornings give you a valuable opportunity to get a feel for the school and meet the headteacher, staff and current students. Dates and times of the open evenings and mornings for each school are in this brochure and online.

We recognise that this can be both an exciting but daunting few months, especially for those parents who are going through the process for the first time.

I hope you find the information about the borough's schools, and the advice on how to apply, helpful and wish you, and all children starting secondary school in Hammersmith & Fulham the best for the future, and look forward to welcoming you at one of our schools soon.

With very best wishes,

Councillor Alex Sanderson

Cabinet Member for Children and Education
Hammersmith & Fulham Council

Introduction

About secondary school admissions

Introduction to H&F's secondary schools

This brochure is for parents of pupils aged between 11 and 16, focusing on issues for those with children transferring from primary to secondary school. It provides information about how and when to apply for a place, explains how admission decisions are made and gives information about each school to help parents decide which schools to apply for.

Hammersmith & Fulham offers a wide range of secondary school options including single-sex Catholic, Church of England and non-denominational schools for both boys and girls and a range of co-educational schools including Academies and Free Schools.

There are two schools in the borough, Fulham Boys' School and Hammersmith Academy, that have a priority area. The chances of receiving a place at these schools if you live outside the priority area are reduced. The fact you live in Hammersmith & Fulham or your child may attend a primary school in this local authority area will not give you priority in terms of gaining admission to one of our schools.

All the schools in the borough with the exception of the two Catholic schools and Fulham Boys' School will, however, consider the allocation of all or a percentage of their places on the basis of proximity to the school and you should consider carefully how far you live from each school and the distance from the school at which the last offer was made in previous years.

Hammersmith & Fulham's two Catholic schools have a reputation that extends beyond the borough and recruit pupils from a wide area. Lady Margaret School and Fulham Boys' School offer places based on church attendance and either on proximity to the school or random allocation, with the former also offering within bands to receive an equal spread of ability, whilst Ark Burlington Danes Academy allocates a percentage of its places to children who are attending Church of England primary schools. Further on in the brochure you will find the admission policy for each school. You must read these to judge the likelihood of your child being offered a place.

It is also important that you visit each school's website to read the full admissions policy. We have provided a link to this on each school's information.

Introduction

About secondary school admissions

It is important to check the admission criteria for each school to assess whether your child is likely to be offered a place. You can also find information on the number of applications each school received for admission in September 2021. The higher the number of applications, the harder it will be to gain a place, so looking at each school's criteria becomes even more important. You need to be aware the outcome can be different each year, depending on the number of applications submitted and the type of cohort that applies (e.g. the number of siblings). This information is therefore provided as a guide to help you to make an informed decision.

When considering your preferences, do not rely solely on what you may have heard about a school's reputation. Visit as many schools as possible on their open days or evenings. Take your son or daughter with you and, if you can, visit the school when it is at work.

Further details about each school can be found on pages 25 to 66. Each school also issues its own prospectus, available directly from the school.

Many of the questions parents raise are answered in this brochure, but if you need further information, the admissions team will be pleased to help.

Pan-London system

Every year around 80,000 pupils living in London transfer to secondary schools, many crossing borough boundaries to do so. All 33 London boroughs, together with councils bordering the capital, use a Pan London system to co-ordinate admissions to their secondary schools.

This co-ordinated admissions system is fairer and means more parents are offered one of their preferred schools at an earlier stage and fewer parents receive no initial offer at all. It is also easier for parents to manage, reducing anxiety for you and your children.

How the system works

Under the Pan-London Co-ordinated Admissions System (PLCAS), all parents must list the schools they want to apply for on their local authority's common application form, ranking them in order of preference. This is important, as potentially only one offer will be made and this will be for the highest-ranked school able to make the offer. This form (either paper or online) is returned to the local authority for the area in which the child lives.

The local authorities taking part in the PLCAS then use a secure computerised system to pass on details of the applications for schools in other areas. They will also co-ordinate the offer of places to make sure no child is offered more than one school place. The decision on whether a place can be offered will continue to be made by the Admission Authority for each school. When a school receives more applications than places available (also referred to as oversubscribed), its published admissions criteria will be used to decide the order in which applicants will be offered places.

Schools will not be informed of where they are listed on the application form or other schools that have been applied for.

Where a child is eligible to be offered a place at more than one school, the local authority will hold the offer for the highest preference on the parents' form and release all other lower preference offers. These places can then be offered to other applicants. Potential offers are exchanged between local authorities until they are in a position to make the single best offer to parents using all available places. All offers will be made on the same day: **1 March 2023**.

Introduction

Before you apply

Gathering information

To make an informed decision about which secondary schools to apply for, you are advised to read the information about the schools in this brochure and research the schools you are interested in applying to.

You are advised to:

- Contact schools you are interested in directly to ask for a copy of their prospectus which will provide you with detailed information.
- Visit schools' own websites to find out more detailed information. If you want to find out about Ofsted reports for Hammersmith & Fulham schools visit www.ofsted.gov.uk 
- Arrange to attend schools' open days and evenings. These can be found in the individual school section.
- Talk to your child's primary school headteacher. They will have experience of previous transfers.
- Contact the admissions team for advice if you are unclear as to how the system works on 020 8753 1085 or email school.admissions@lbhf.gov.uk 

Before you apply

Considering the facts

Many schools receive more applications than they have places (also referred to as oversubscribed). To avoid disappointment you should consider whether your child has a realistic chance of gaining a place at your preferred school/schools.

You are advised to consider the following:

- Look at how many applications were made for your preferred school/schools last year compared to how many places were available. This information can be found in the individual school section of this brochure on pages 25 to 66. The same information can be found for schools in other boroughs in their equivalent brochure. It is important to note the pattern of admissions can vary from year to year. As an example, living within the distance in which places were offered in a previous year does not guarantee a place will be offered in this year or future years.
- As indicated above, you can also view the distance maps located on the council website.
- You must read the admission criteria for the school/schools you would like to apply to. The criteria will determine the order of priority for each applicant. As an example, church schools will prioritise applicants who meet the respective faith criteria if that school receives more applications than places available.
- Not all schools give priority to children with siblings already attending the school so you will need to check the admission criteria.
- All church schools (and some Academies and foundation schools outside the borough) have additional supplementary forms to complete, which are available directly from the schools. Supplementary information forms must be returned to the school. The schools in Hammersmith & Fulham that require you to complete supplementary forms will be indicated in the school section.
- Within the schools section you will see how many appeals were submitted for each school and the number that were successful, which will be very few. Be realistic: remember you can state up to six preferences. Even after you have researched the schools and you have decided where to apply, you should not assume your child will be offered a place. You should also consider other schools where you know you will have a good chance of gaining a place. Naming other schools will not affect your chances of being offered a place at a higher-preference school.
- Schools are not informed of other preferences you have made or the order you place them.
- The preferences you make are treated equally. This means no matter where you place a school in your list of preferences, it will be treated in the same way as all other applicants who also chose that school, regardless of where they have placed the school in their list.
- The reason it is so important to list the schools in your order of preference is that when results are returned to the admissions team, we may receive offers for more than one of your preferences. As only one offer can be made to your child, you will be offered the highest school possible from the list you provided. Any offers made lower in your list will be withdrawn and put back in the system. Take special care how you order your preferences.

Applying for schools outside H&F

You may also wish to consider schools outside the borough. Under the PLCAS, Hammersmith & Fulham residents can apply for schools anywhere in London and this will need to be listed on your application. Detailed information about schools outside the borough will be available directly from the schools and from the local authority for the area in which they are located.

The contact details for all London boroughs are provided on pages 74 to 76. Please remember to check the admission criteria to assess whether your child is likely to be offered a place.

Introduction

Key dates

From 1 September 2022

You will be able to apply online at:
www.lbhf.gov.uk/eadmissions 

Paper applications will be available from the admissions team on request.

The *Moving on up* brochure will be available online from early September.

31 October 2022

Closing date for applications.

If you are applying online, you will have up until 11.59pm on 31 October to submit your application.

If you are applying via a paper form you will need to ensure it is received by the admissions team by 5pm on 31 October.

1 March 2023

National offer day.

All resident applicants that applied online will receive an email notification during the evening of 1 March.

Resident applicants who made a paper application will be sent an outcome letter in the post on 2 March.

16 March 2023

Deadline for successful applicants to accept or decline their school offer.

From 30 March 2023

Schools for which the admissions team coordinate their waiting list will have the list made available. Further offers will be made as a result of withdrawals and late applications for schools with vacancies from this date.

10 May 2023

To ensure appeals are heard by the end of the summer term, appeals managed by the admissions team must be lodged by this date.

You will need to check with voluntary aided schools, Academies and Free Schools as deadline dates may vary.

June/July 2023

Voluntary aided, Academy and Free Schools manage their own appeals and will arrange for this to be heard before the end of term.

The application process

The application process

The information you need

Closing date for applications

The closing date for applications is 31 October 2022. For all the reasons detailed on page 18 it is highly recommended you apply online at: www.lbhf.gov.uk/schooladmissions 

If you would prefer to complete a paper form, you must return it by the closing date to the address shown on the form. If you would like confirmation we have received your application, please indicate this when you submit the form. Make sure you use the correct postage if you return your form through the post. Incorrect postage may delay your application, preventing it from reaching the admissions team by the closing date.

Proof of address

The child's home address provided on your application must be your child's current permanent place of residence on close of application, **31 October 2022**. You must not use a business address, childminder's or relative's address or any address other than your home address. Only in circumstances where the relative or carer has legal guardianship and is the main carer will a different address be considered as the main residence. Evidence will be requested to support this arrangement.

We will not accept possible future addresses as a basis for allocating school places. If you move after submitting your application, you must inform the

admissions team within two weeks of your move so that your application is considered using the correct address for school admission purposes. Any change of address will not be updated until proof has been provided and if you move after **10 December 2022**, your address will not be updated as the process for allocating places would have already started.

Every year there are cases where parents give false information about their home address to get a place at a school. Every effort is made to ensure that this does not happen because this can prevent genuine applicants from obtaining a school place. We will carry out address verifications against local authority records for all applications made by residents of the London Borough of Hammersmith & Fulham.

Where we are not satisfied as to the validity of an address or we consider this to be an address of convenience, further investigations will be conducted. The local authority reserves the right to seek verification of the information parents have given on the application form and withdraw any offer or application made based on inadequate, inaccurate or deliberately misleading information.

Any application found to have misleading information will be invalid and the applicant may be required to make a new application which will be processed as late if the invalid address was detected after the normal closing date of applications.

The application process

The information you need

Address of convenience

An address of convenience is an address named on a school admissions application which is not your child's habitual residence, and which increases the priority that your child will receive for admission to their preferred schools. A child's habitual residence is the place where your child permanently resides and where your family normally lives at the time of application.

It is for the admission authority to determine if, on the balance of probability, the address given on an application is a child's habitual residence.

Some examples of the use of an address of convenience include but are not limited to the following:

- An applicant applies from an address where the child does not ordinarily reside. This includes a business address, a childminder's address or any other address including that of a family member or friend.
- A family purchases a new property or rents accommodation and uses this address to gain a school place, whilst continuing to own or rent an alternative property.
- A family owns a property which is or has previously been used as their home address and apply from another address in order to gain a school place, but still retains ownership of the initial property.
- A family moves to live with someone else, often a relative/friend/partner, and uses this address to gain a school place whilst continuing to own or rent an alternative property.

We will not generally consider an address to be a child's habitual residence if the applicant owns or rents an alternative property that the child previously lived in. Where an applicant still owns or rents an address at which their child previously lived, they must explain and evidence the permanence of their house move. Renting out an owned property or putting it up for sale would not normally deem it unavailable to the family. A property would normally only be deemed unavailable to the family from the date it is sold but this would not alter the outcome of an application for a school place where the decision has already been made.

After consideration of the information provided, if we believe that an address of convenience has been used, the local authority will decide which address to use for allocating a school place.

You will need to provide us with documentary evidence of your address in the form of council tax record. If you are not registered to pay council tax, either because you are not liable or have recently moved, you will be asked to provide:

- A mortgage statement/tenancy agreement

and **two** of the following:

- Recent utility bill – gas/electricity/water/TV licence
- Driving licence
- Entitlement to benefits letter e.g. Child Benefit (pages 1 and 2)/Child Tax Credit/Housing Benefit/Income Support/Jobseekers' Allowance
- Inland Revenue document
- Pay slip/P45/P60 (not more than one of these)
- Car/house insurance certificate
- Electoral register
- A letter confirming placement at your address from social services/National Asylum Support Service/United Kingdom Border Agency/housing department.

Any proof of address provided must show your full name and match the details provided at the time of application. Any supporting information not in English language must be accompanied by a certified translation.

If we are not satisfied with the documentation provided, we reserve the right to ask for additional evidence of the address used for your application.

Shared or joint residence

Where a child lives with parents with shared responsibility, each for part of a week, the address where the child lives is determined using a joint declaration from the parents stating the pattern of residence. If a child's residence is split equally between both parents, then parents will be asked to determine which residential address should be used for admission to school. If the residence is not split equally between both parents, then the address used will be the address where the child spends most of the school week.

The application process

The information you need

If an applicant is unable to provide proofs of address perhaps because they are not, for example, on council tax records or utility bills, the applicant must request the person who is on those records to write to School Admissions to declare their joint residency and responsibility for the child. In some instances, School Admissions may require the adults with responsibility to provide proof of this.

Documentation to confirm the arrangement such as a residence order or other court order may be required. If this is not available or the admissions team is not satisfied with this documentation, Hammersmith & Fulham Council will consider the address of the parent who is in receipt of Child Benefit or if Child Benefit is not being received, the address at which the child is registered with a doctor (GP). You must therefore send us a copy of your latest benefit entitlement notice or your child's medical card. We may also ask for further evidence if required.

Change of address/preferences

The admissions regulations do not permit applicants to change their preferences after **31 October 2022** unless they have moved to a new house. Updated preferences due to change of address can be accepted up to 5pm on **10 December 2022**.

Address changes can only be accepted if suitable new proof of address is provided, and your child is living at the new address by this date. Each case will be considered individually.

If you move after this date or an older child is admitted to one of your preferred schools, changes will not be made until after the offer date. All other new or changed preferences will only be considered after the offer date.

It is your responsibility to let us know about any changes which could impact your child's application for a secondary school place within two weeks of the change. Failure to do so could result in your school place being withdrawn.

If you are considering a change we strongly advise you contact the admissions team on 020 8753 1085 or email school.admissions@lbhf.gov.uk 

Children Looked After (CLA), previously Children Looked After (PCLA) and Internationally Adopted previously Looked After Children (IAPLAC)

In the admission arrangements for all schools, Children Looked After and previously Children Looked After will be: a looked after child, as defined by Section 22(1) of the Children Act 1989, is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions for England and Wales. Priority is also given under this criterion for Children Looked After who ceased to be so because they:

- i) were adopted under Section 46 of the Adoption and Children Act 2002.
- ii) became subject to a child arrangement order under Section 8 of the Children Act 1989, as amended by s12 of the Children and Families Act 2014. Child arrangement orders replaced residence order and any residence order in force prior to 22 April 2014 is deemed to be a child arrangements order, which settles the arrangements to be made as to the person with whom a child is to live.
- iii) became subject to a special guardianship order under Section 14A of the Children Act 1989, which is an order appointing one or more individuals to be a child's special guardian/guardians.
- iv) all references to previously Children Looked After include those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted. Such children are referred to as Internationally Adopted Previously Looked After Children (IAPLAC) – School Admissions Code 2021.

The application process

The information you need

Exceptional need

All schools have experience in dealing with children with diverse needs. These may be educational, medical and/or social needs. However, in a very few exceptional cases there may be reasons why a child may need to attend a specific school.

If you feel there are exceptional reasons for your child to be considered for a priority placement at a particular school, you must indicate this in the area provided in your application, giving reasons supporting your case. Please be aware not all schools have this criterion in their policy, so it is advised you check this first.

All requests for priority consideration must be supported by a professional, such as a doctor or social worker, who must clarify which school you are making a special case for, the reason why it is necessary for your child to attend this school in particular and the difficulties it will cause your child to attend another school.

It is for you to decide how to support your case and what documents to provide, but these must be submitted by the closing date **31 October 2022**.

The admissions team is not responsible for contacting professionals for information about your case and any decision will be based on documents you submit by the closing date.

For own Admission Authority schools, and schools located in other areas, any additional documentation you provide will be passed on for the respective school's attention via the secure Pan-London system.

The notification date is **1 March 2023**. You will not be advised before this date whether your request for priority is agreed. If priority is not granted, your application will be considered against the remaining criteria for the requested school.

It is important to be aware that very few cases are agreed under this category. The Admission Authority must be able to justify awarding priority for a child above other applicants. It will need to be agreed by those making the decision that the professional support provided clearly makes a case that the needs for the child can only be met at the school required as opposed to another local school.

Members of the UK Armed Forces and Crown Servants

For members of the UK Armed Forces and Crown Servants, an official letter confirming intended address or quarters and the date of relocation is required. This can be provided before you have relocated to ensure your application is not disadvantaged.

Additional forms to complete

All Hammersmith & Fulham voluntary aided schools have additional Supplementary Information Forms (SIF) and/or a Priest Reference Form or Certificate of Catholic Practice (CCP) to complete, which are available directly from the schools or at www.lbhf.gov.uk/schooladmissions 

These forms are necessary for the school governors to determine whether applicants meet their faith requirements or other criteria. If you are applying for a place on religious grounds, you will be required to provide proof of your church attendance and/or religious commitment on the SIF.

The SIF and all additional documents required must be returned to the school. The same will apply for church schools located in neighbouring local authorities.

If you name the school on your application and do not complete a SIF, your child will be considered but it will reduce the chance of your child being offered a place. The school will not have any information to consider when judging your application against its admission criteria and, as such, your application will be ranked very low when decisions are made. It is therefore important you complete both forms.

Applications for children living abroad

Applications submitted by resident families working or temporarily living abroad will be processed with all other applicants and must be submitted by the closing date. The address where the child is living at the time of application and at the closing date will be used for the purpose of processing. The applicant must inform the admissions team on their return for the address to be updated. Proof of address and occupancy will be required.

The application process

The information you need

Late applications

If you apply after the closing date without a valid reason, your application will only be considered after the offer date: **1 March 2023**. Your child's name will be added to waiting lists along with those unsuccessful applications considered in the initial allocation round.

If there is an exceptional reason for applying after the closing date and **by 10 December 2022** (for example, you have just moved to the area), it may be possible to consider your application with those that were made on time. Other circumstances will be considered and each case decided on its own merit.

Examples of reasons that **would not** be accepted include failure of a primary school to remind a parent to apply, late return from a family holiday or non-receipt of an application form due to postal issues. You are advised to contact the admissions team as soon as possible if submitting an application after the closing date.

Change of preferences

If you wish to change the order of preference of schools listed on your application form and you applied online, you can log back in to your account to change/add/delete preferences up until the closing date. If you did not apply online, you must email school.admissions@lbhf.gov.uk or write to the admissions team before the closing date.

It is not normally possible to accept any changes after the closing date. If you do want to add preferences or change your order of preferences after this date, you must inform the admissions team as indicated above. In most cases, new or changed preferences will be considered only after all other applications have been considered.

Use of your personal information

The London Borough of Hammersmith & Fulham will handle information you have provided for school admission purposes in line with the GDPR 2018. For more information on this, please visit our *Privacy Notice* on www.lbhf.gov.uk/schooladmissions

Fraudulent applications

Hammersmith & Fulham Council takes very seriously any attempt to obtain a school place by fraud. All cases are fully investigated and the use of internal and external agencies has improved detection rates. Council officers will carry out unannounced address visits as appropriate.

If you know someone who intends to or has used a false address to get a school place, you can report this confidentially to the admissions team on 020 8753 1085 or email: school.admissions@lbhf.gov.uk

You do not need to give your name but please provide as much information as possible so we can investigate the matter fully.

If we find a school place was obtained using a false address we will withdraw our offer, even after the child has started school, and give it to the child who was entitled to the place. If it is decided not to remove the offer, normally when the child has been on roll for more than one term, any future sibling link will not apply.

The application process

Completing your application

Guidance on completing your application (paper or online)

The online application is set out in a similar way to the paper form. The following guidance applies to both:

- Naming only the school you most want for your child will not increase his or her chance of being offered a place. It is therefore advised you name further preferences and ones you consider to be realistic options.
- If we receive more than one application for your child, the most recently dated application will be the one we process.
- Because of the demand for places at the most popular schools, your child may not be offered a place at your first preference.

Your child's name

Please write your child's name clearly and use the same name you have registered with your child's primary school.

Your child's date of birth

You should only be applying if your child is currently in Year 6 in primary school and their date of birth is between 1 September 2011 and 31 August 2012. If your child is in Year 6 and does not fall in this birth range, please speak to your primary school headteacher before completing the application.

Your child's home address

The address you give must be your child's permanent address on the closing date for applications. Please see page 13 for more information.

Your child's primary school

You must include the name of the primary school your child currently attends. If your child is being educated at home, please state this in the space provided.

Details of parent or carer

This section needs to be completed by the parent or carer of the child, who will also need to indicate they have parental responsibility. Only one parent needs to complete this section but you can indicate the name of the other parent in the space provided if you wish.

Relationship to child

Please indicate your relationship to the child (e.g. mother, father, grandmother, foster carer).

Children with an Education, Health and Care (EHC) plan

You do not need to complete this application if your child has an EHC plan as there is a separate process that is outlined on page 68 in this brochure. If your child is in the process of being assessed for a statement or EHC plan, please complete this application and make us aware of the circumstances. Doing so will ensure the school that is eventually offered to your child is fully aware before admission and can plan accordingly to be able to meet your child's needs.

Children Looked After

Children Looked After (also referred to as in "Public Care") and children who have been adopted or made subject to a child arrangement order or a special guardianship order immediately after having been Looked After receive priority for admission to school. This category of children includes those that appear to the admissions authority to have been in state care outside of England but ceased to be in state care as a result of being adopted. The child's social worker must submit a letter to the admissions team confirming the legal status of the child and the local authority to which the child is/was in care, quoting the child's full name and current address.

The application process

Completing your application

Exceptional need

All schools have experience in dealing with children with diverse needs. These could be educational, medical and/or social needs. However, in very few exceptional cases, there may be reasons why a child may need to attend a specific school. Please refer to page 14 for further information.

School preferences

You can list up to six state-maintained schools, including any voluntary aided (church) schools, foundation schools, Free Schools and Academies, and any schools in neighbouring local authorities, in order of your preference. Please do not name independent/private fee-paying schools on this form – applications to these must be made separately.

You do not have to name six schools, but it is strongly advised you should name as many preferences as possible and include at least one school where you have a good chance of being offered a place.

You will need to read the admission criteria for the schools to determine the likelihood you have of gaining a place. Applying for only one school will not improve your chances of gaining a place at that school.

Siblings (brothers or sisters)

If your child has a brother or sister who is currently on roll, and will continue to be so, at one of your preferred schools at the time of admission for the child you are applying for, you must include their details where requested. Relatives such as cousins, uncles and aunts are not considered as siblings, even if they are living at the same address.

Please be aware the definition of sibling can vary, so you are strongly advised to check with relevant boroughs or schools for their definition and if the school gives priority to siblings.

Siblings of former pupils

Some schools give priority to siblings of former pupils in their admission criteria. This does not apply to all schools, so check the criteria for the school you are applying to. If you are applying under this criterion please list the name and date of birth of the former sibling and the school they attended in the relevant box.

Children of school staff

Some schools give priority in their admission criteria to children of staff. This does not apply to all schools, so check the criteria for the school you are applying to. Please indicate in the relevant section if you are applying under this criterion, naming the school you are applying for. You must also provide supporting evidence from the school.

Reasons for preference

Please note schools can only use their published admission criteria to decide which children qualify for a place. It is therefore not necessary to give reasons for your preferences. If, however, there are medical or social reasons why your child should attend the school you have named, please indicate these, as outlined above.

Declaration and signature of parent or carer

You must sign your application to certify you have parental responsibility for the child for whom you are applying and the address on the application is the main residence of the child. If you provide any false or misleading information on the application or in supporting papers, or withhold relevant information, it may render your application invalid and lead to the withdrawal of an offer of a place.

The application process

Completing your application

Apply online and save time

If you are an H&F resident you must complete the Hammersmith & Fulham common application to apply for a secondary school place. We recommend you apply online at www.lbhf.gov.uk/schooladmissions 

The council will co-ordinate the admission process with the other 32 London boroughs and neighbouring authorities to ensure no child receives more than one offer of a place at a secondary school in London on **1 March 2023**.

The one offer received will be for the highest-preference school for which your child is eligible. You will have the opportunity to express a preference for **up to** six secondary schools, Academies and Free Schools, including schools outside Hammersmith & Fulham. You must list them in order of preference. This means you should put your first preference (i.e. the school you most want your child to go to) at the top of the list, your second preference below and then continue adding any further preferences you would like to make. It is vital you put your school preferences in the order you would like them.

You can apply online in five easy steps

Why apply online?

- It is quick and easy to do.
- You can log back on to change or delete preferences up until 11.59pm on the closing date (ensure you resubmit your application if making changes).
- You are able to attach additional documents.
- You can register your mobile phone number to receive reminder alerts.
- You will automatically receive a confirmation email once you submit your application.
- During the evening of **1 March 2023** you will receive an email with the outcome of your application. Please wait until you have received the email before logging onto the Pan-London eAdmissions website.
- You will be able to accept or decline an offer of a school place online.

The application process

A step-by-step guide to applying online

To start your online application visit: www.eadmissions.org.uk 

Or use the link from the council's website: www.lbhf.gov.uk/schooladmissions 

1

If you have used the online system before, log into your account* and proceed to step 2. To create a new account:

- Enter your details providing your name, address and contact information by clicking on **'Register'** in the First Time Visitors area.
- You will be asked to create a password. You will need this to get the outcome of your application.
- Read the privacy policies before ticking the agreement box and click **'Create'** to set up your account. You will receive a validation email to activate your account.
- Next, specify answers for three security questions. This will help you to reset the account if you forget your password.

2

- Click **'Start new application'**.
- Enter your child's details as accurately as possible.
- Apply only for a child born between 1 September 2011 and 31 August 2012.
- **Make sure you enter your permanent address only.** This will be verified against council records.
- If you have twins or triplets, you must remember to create a separate application for each child.
- You will need to specify your relationship to the child and confirm whether you have parental responsibility for them.

A step-by-step guide to applying online

3

- Add your school preferences by first selecting the local authority that each school falls within.
- **Make sure that you read the schools' admission criteria.** This will be a guide as to the likelihood of being offered a place at the school you are interested in.
- Select and add the schools you wish to apply for. You can apply for up to six schools.
- For each school selected you will be asked a number of questions (such as whether there is a sibling at the school). Make sure you answer the questions correctly.
- If you tick the medical/social box please ensure you provide additional documents either by attaching them to the application (after submitting) or by sending them to the admissions team.

Add schools

Find schools to add to your application from:

- Check all of the details entered are correct.
- Be sure to review the checklist.
- Read the declaration and the terms and conditions and tick each box to accept them.
- Click the 'Submit Application' button.
You must click the submit button by the closing date of the 31 October 2022. If you do not do this, your application will not be processed.
- Once you have submitted your application you will be able to attach documents.
- You will receive an email confirmation.

Remember:

If you apply online, you must not complete a paper application form

By submitting this form I agree to the following:

- I have read the admissions guidance issued by the Local Authority for each school I have selected.
- I wish to apply for a place at each of the schools named above and have listed these in my order of preference.
- I will keep the Local Authority informed of **any** change of circumstances (e.g. change of address) and failure to do so may make this application invalid or lead to the offer of a place being withdrawn.
- I understand that the Local Authority may take steps to verify any information relating to this application.
- I understand that any false or deliberately misleading information given on this form and/or supporting information may make this application invalid or lead to the offer of a place being withdrawn.
- I understand that the Local Authority where I live is under a duty to protect the public funds it administers and may therefore share the information I have provided in this application within the Local Authority and with other bodies administering public funds, for the detection and prevention of fraud.

☒ I have read and accepted the above declaration

☒ I have read and accepted the The London Borough of Hammersmith and Fulham [terms and conditions](#)

Submit application

The application process

What will happen next

How decisions are made

The process

The admissions team will process any preferences you have made for Hammersmith & Fulham schools and pass on your child's details to schools that are responsible for their own admissions. If you have applied for schools that are not located in Hammersmith & Fulham, your preference/preferences will be passed to the local authority that maintains those schools. At the same time, the admissions team will receive applications for Hammersmith & Fulham schools from residents in other local authorities. All these operations will be carried out via the Pan-London Co-ordinated Admissions System.

The order of your preferences is not revealed to the schools. This information is only known by your home local authority and the authority where the schools are located.

If any school has more applicants than places available, the published admission criteria will be used to decide the order in which applicants will be offered places. The same process is carried out across London and decisions are made by all Admission Authorities by a common deadline and relayed back to the home local authority. This co-ordinated process eliminates multiple offers and will result in your child being offered the highest potential school you named in your list of preferences (if an offer can be made). Examples are shown in the tables below.

You need to be realistic when deciding your school preferences. The following are examples of why an offer may not be made to your child if a school is oversubscribed:

- Other applicants live closer to the school and distance is the tie-breaker.
- You applied for Church school/schools but other applicants met a higher faith category requirement which meant lower categories in the criteria were not reached.
- You live outside of a priority area for a school. Places can only be offered beyond the area if places are available.
- You live close to the school or met the faith criteria but the tie breaker used is random allocation (lottery).

A breakdown of last year's admissions to each Hammersmith & Fulham school is included in the schools section of this brochure. You will find this

information is available for all schools in the respective local authority brochure, which can be accessed online (neighbouring London local authority website addresses and contact details can be found on pages 74 to 76).

Example 1

Preference rank	School	Criteria met?	Outcome
1st	Hammersmith Academy	Yes	Place offered
2nd	Ark Burlington Danes Academy	No	Withdrawn as higher offer met
3rd	Phoenix Academy	Yes	Withdrawn as higher offer met
4th	Holland Park School	No	Withdrawn as higher offer met
5th	Kensington Aldridge Academy	No	Withdrawn as higher offer met
6th	London Oratory School	Yes	Withdrawn as higher offer met

Example 2

Preference rank	School	Criteria met?	Outcome
1st	Lady Margaret School	No	Placed on waiting list
2nd	Fulham Cross Girls School	Yes	Place offered
3rd	Hammersmith Academy	No	Withdrawn as higher offer met
4th	Hurlingham Academy	Yes	Withdrawn as higher offer met
5th	No preference made	N/A	N/A
6th	No preference made	N/A	N/A

The application process

What will happen next

Notifying you of the outcome

If you made your application online, you will be able to log on to the eAdmissions site using your username and password during the evening of **1 March 2023** to view the outcome of your application and accept or decline any offer made. Letters will only be sent in the post to residents who completed the paper application form. Letters will be sent on 2 March first class.

The email notification or letter will tell you the following:

- The name of the school that can offer you a place.
If it has not been possible to offer any of the schools you applied for, the nearest alternative school will be offered to you, if there is one available.
- That any preferences for schools listed lower than the school offered have been withdrawn.
- How to accept the place you have been offered. You should not reject the place unless you have a place secured elsewhere and should indicate the name of the alternative school.
- If you have not been offered one of your school preferences, the reason why and who to contact for further information*.
- Waiting list and appeal information and who to contact for further details.
- The details of schools which have vacancies, if you did not receive an offer for any of your preferences and you do not want to accept the alternative school offered to you.

*The email notification or letter does not go into the detail of why a place could not be offered, and can only inform you your child did not receive a high enough priority in the oversubscription criteria. You will be able to obtain more detailed information from the local authority where the school is located or the school itself if it is its own Admission Authority. Please contact the admissions team in the first instance. They will be able to advise you.

The application process

What will happen next

Waiting lists

Your child's name will automatically be added to the waiting list for any Hammersmith & Fulham schools that could not be offered. Any schools you named as a lower preference than the school offered to your child would have been withdrawn under the co-ordinated arrangements. You will need to re-apply to these schools if you want your child to be included on a waiting list.

If you have not been offered a place at a school in another borough and require waiting list information, you will need to contact the school or the borough that maintains the school.

Waiting lists are ordered in accordance with the published admission criteria for each school and places will be offered to children as vacancies arise with no differentiation between on-time or late applications.

The management of the waiting lists for Fulham Cross Academy, Fulham Cross Girls' School, Hurlingham Academy and Phoenix Academy are delegated to the admissions team. Waiting list positions will be available from **30 March 2023**. Waiting lists for the remaining schools in Hammersmith & Fulham are the responsibility of the respective schools. You will need to contact the school directly for an update of your child's waiting list position.

As a result of vacancies arising, the governors or admissions team on behalf of the school will determine who is offered the next place/places in accordance with the published admission criteria and waiting list ranking. You will be notified of any offer that can be made by the admissions team from **30 March 2023**.

A child's position on the waiting list can go down as well as up. For example, if a new application is submitted and they meet a higher priority against the admission criteria for the school, the waiting list will need to be revised to include the new applicant. The offer of a place does not depend on the length of time your child's name has been on the waiting list and there can never be any guarantee a place will be offered.

You will be contacted at some point during the academic year to indicate continued interest to remain on the waiting list. If you do not respond, your child's name will be removed from the list unless you inform us otherwise. This exercise is carried out to ensure waiting lists only ever include children who would take up an offer for a school if it became available.

Appeal arrangements

You can make an appeal to each school where your application has been unsuccessful. Appeals are heard by an independent panel. The school will explain to the panel why a place could not be allocated to your child. You will then be heard by the panel and will need to show the school's published admission arrangements were not correctly applied or there are special reasons why your child should be given a place even though the school is full.

More detailed information about admission appeals is available at www.lbhf.gov.uk/schooladmissions . Guidance will also be provided with your appeal form should you decide to pursue this right.

If you would like to seek independent advice you may wish to contact the Child Law Advice Service which provides free legal information, advice and representation to children, their families and carers. Please see their website www.childlawadvice.org.uk/school-admissions  for further details or call 0300 330 5485, Monday to Friday for advice.

Making final arrangements for starting school

The headteacher of the secondary school where your child has been offered a place will invite you to visit the school before the end of the summer term 2023. You will have the opportunity to look around the school and to discuss questions such as school uniform, books, travel arrangements, midday meals and possible financial help.

By the start of the summer holidays, the arrangements for your child's transfer to a new school should have been completed so they can look forward to starting there in September.

The application process

Frequently asked questions

What does the law require?

Of parents:

It is the duty of the parent of every child aged five to 16 to ensure the child receives efficient, full-time education, suitable to his or her age, ability or aptitude (and to any special need), either by regular attendance at school or otherwise.

Of local authorities:

It is the duty of every local authority to ensure sufficient primary and secondary schools of appropriate character and with necessary equipment are available to provide all pupils in the area with education suitable to their different ages, abilities and aptitudes.

Does the law guarantee my child a place in the school of my choice?

No, the law states parents may express a preference for any school; however, if more parents express a preference for a school than the number of places available, there has to be an order of priority to decide which children to offer places to. The law allows parents to appeal to an independent panel if their child is refused a place at a school of their preference. Please refer to the section on appeals on page 23 for further information.

Will a school know where I listed it in my application?

No, all applications are treated equally against each school's published admission criteria. Schools are not provided with the preference order as it has no relevance to the decision-making process.

If I decide I prefer a school I listed lower than the school I was offered, can I be considered for a place?

Any preferences that are listed lower than the school offered are automatically withdrawn, so any lower preferences will no longer exist. Any requests after offers have been made for lower preferences will be treated as a new late application. If the school has a vacancy, then it will be possible to offer your child a place and withdraw the original offer made to you. If the school is full your child's name will be added to the waiting list.

Do I have priority for a school place in the borough I live in?

No, it is against the law for local councils to give priority to their own residents.

Can I change or withdraw my preferences after I have submitted my application?

Once you have submitted your application, you can change the order of your preferences and the schools you have listed up until the closing date. Changes cannot be made to your application after the closing date except in exceptional circumstances.

The distance you have calculated from my home to the school is further away than the distance I have calculated on a measuring system I used on the internet. What do I do?

The local authority's geographical measuring system is used for calculating distances from home to school. Distances measured by other means (e.g. private car, pedometer or on the internet) are likely to be calculated on a different basis and should not be relied upon as evidence the local authority's distance calculation is incorrect. The local authority's measuring system is designed to be precise, reliable and consistent, and is used for all applications.

The school I have applied for has random allocation to decide who is offered a place. How does this work?

Some schools use random allocation instead of distance in order to determine a rank number order when there are more applications than places available. This may also be referred to as a lottery or ballot. Schools can decide how they apply this method but it must be supervised by someone independent of the school. This can be an individual or an external organisation.

When places become available, random allocation must be used each time to determine the next offer. This will mean that there is no ordered waiting list for schools that use random allocation. Each time random allocation is applied, a record is kept that will show the rank number given to the applicants.

School information

How to use this section

This section contains basic information for each school and a summarised version of the oversubscription criteria. You are advised to read the full admission arrangements for each school you are interested in applying to. These can be obtained directly from the respective school, their website and the local authority's website.

Common definitions

To avoid repetition, the following common definitions will apply to each school and Academy in this section (unless indicated otherwise in the school's criteria).

Please note:

For all schools included in this brochure, children with an Education, Health and Care (EHC) plan that name the school will be allocated a place before any other allocations are made. Further information can be found on page 68.

Children Looked After (also referred to as in "Public Care")

Children in care of the local authority and children who have been adopted or made subject to a child arrangement or a special guardianship order immediately following having been looked after. This includes children adopted from overseas who appear to the admissions authority as having been looked after but ceased to be so because they were adopted. The child's social worker must submit a letter to the admissions team confirming the legal status of the child and the local authority to which the child is/was in care, and quoting the child's full name and current address.

Siblings (brothers and sisters)

Children already attending the school who will continue to do so on the date of admission of the applicant. This includes half-brothers or half-sisters, adopted brothers or sisters, stepbrothers or stepsisters or the children of the partner of the parent or carer, provided they live at the same address as the applicant.

Distance from home to school

Unless indicated otherwise in the individual admission criteria for each school, distances are calculated using a straight line (as the crow flies) measurement from the child's home "address point" (determined by Ordnance Survey data) to the main school gate (as determined by Hammersmith & Fulham Council using its computerised measuring system).

The child living closest to the school will receive the highest priority; accessibility by car or public transport will be disregarded. If applicants share the same address point (for example, those who live in the same block of flats or shared house), priority will be given to those who live closest to the ground floor, then by ascending flat number order. Routes are measured to four decimal places (if necessary).

If, in the unlikely event two or more applicants live exactly the same distance from the school, the offer of a place will be decided by random allocation, which will be carried out independently of the school.

Exceptional need

If this priority forms part of the school's admission criteria, the governors may, on an individual basis, give priority to applicants who can demonstrate admission to the school is necessary on the grounds of professionally supported educational, medical and/or social need and that only this school can meet this need. Parents/carers must supply details of any such special factors at the time of the original application, together with recent supporting documentation. Such applications will not be considered without professional support – such as a letter or report from a doctor, consultant or social worker. Further guidance can be found on page 14.

Children from multiple births (e.g. twins, triplets)

Each school must set out in its admission arrangements how it considers applicants from multiple births when the admission limit may be exceeded to admit all children. In most cases, places will be offered to all children. You are, however, advised to check the full policy for the school/schools you are applying for if this is a concern for you as different rules may apply.

Ark Burlington Danes Academy

About our school

At Ark Burlington Danes Academy (BDA), 'we believe that through learning to our fullest potential and living a life filled with kindness and thankfulness, we can be the ones to make the world a better place'. Our culture and values of 'Aim High', 'Be Brave', 'Be Kind' and 'keep Learning' drive every decision and interaction at the Academy.

The Academy has been a beacon of excellence since 1699. Our focus on students achieving exceptional exam results enables our students to access the best universities and careers, with over 50% of our students gaining a place at a Russell Group university. This is driven by students taking ownership of their actions and understanding that these will determine their future success and create their character as an individual.

The Academy has the highest expectations for all, and we will make no apologies for that. Our school culture will be our compass throughout our journey to ensure our students receive the very best education. Our unique curriculum offer encompasses a highly academic range of subjects and a structured enrichment offer which takes advantage of our unique sports, arts and music facilities as the largest school site in central London.

Our carefully curated programme helps our students develop their confidence and character, enabling them to become the leaders of the future. Our commitment to our students' broader development is evident throughout the cultural life of our school and our pioneering work on diversity, demonstrating why BDA is such a special place to learn.

School information

Ark Burlington Danes Academy

Admission criteria

The below criteria has been summarised and you will need to refer to the school's website for the full admission policy and arrangements:

www.burlingtondanes.org/admissions/admissions-policy 

You can also obtain further information by visiting the school on the dates set out below.

After the allocation of children with an EHC plan*, the admission criteria will be applied in the following order of priority:

1. Children Looked After or previously Looked After*.
2. Children of staff at the school where there is a demonstrable skill shortage – children of members of staff will have priority in the oversubscription criteria if the staff member is filling a post for which there is a demonstrable skill shortage. Ark Schools is required to approve the principal's designation of such posts and confirm the assessment that a member of staff appointed meets the requirements of the shortage. Priority will be limited to one place for each form of entry in any year.
3. Siblings*.
4. Up to 25 per cent of the remaining places will be allocated to children who attend Church of England primary schools in the London boroughs of Brent, Ealing, Hammersmith & Fulham, Kensington and Chelsea and Westminster and, where there are more applications in this category than places, places will be offered on distance*.
5. Up to 25 per cent of the remaining places will be allocated to children who attend the Ark Academy Trust schools in the borough.

6. Children of staff in the school – where there is no demonstrable skill shortage, priority may be given where the Academy is oversubscribed to a child of a person who will have been employed in the Academy for two or more years at the time the application for admission is made. Priority will be limited to one place for each form of entry in any year.
7. Distance from home to school*.

Tie-break

If any Ark school is unable to distinguish between applicants using the over-subscription criteria, places will be offered via a random draw which will be supervised independently of the school.

The Fulham Boys School

About our school

The Fulham Boys School has a strong and distinctive ethos founded on three core pillars.

We are geared towards boys – which means everything about the school from lunch to lessons to sports afternoons is designed to bring the best out in boys; we're built on the Christian faith – boys of any faith or none are all welcome but all are expected to respect our Christian values; and we are committed to nurturing enterprise – individual, business and social enterprise – in all our students.

We're an academic school, determined to become one of the best schools in the country through equipping our students with the skills, knowledge and resilience to flourish in the next stage of their lives.

For more detailed information about the school, please visit their website: www.fulhamboysschool.org

Apply online: www.lbhf.gov.uk/schooladmissions

The Fulham Boys School

Admission criteria

The below criteria has been summarised and you will need to refer to the school's website for the full admission policy and arrangements: www.fulhamboysschool.org 

You can also obtain further information by visiting the school on the dates set out below.

After the allocation of children with an EHC plan*, the admission criteria will be applied in the following order of priority:

1. Children Looked After or previously Looked After*.
2. Founders' children.
3. Children of staff.
4. Sports aptitude – up to 8 places.

After the above, the remaining places will be split 50-50 between Christian and open places.

Christian faith places

If the Christian faith places are oversubscribed, applications will be prioritised in the following order:

- a. Boys applying for a Christian faith place with a sibling on the date of admission.
- b. Boys who themselves or their parents are practising members of the Anglican Church residing within the priority admission zone**.
- c. Boys who themselves or their parents are practising members of other Christian churches and resident within the priority admission zone**.

Open places

If the open places are oversubscribed, applications will be prioritised in the following order:

- a. Boys with a sibling in the school on the date of admission.
- b. Boys who are resident in the priority admission zone**.
- c. Other boys.

Tie-break

If either category remains oversubscribed after the application of the above criteria, places will be assigned within that category by random allocation. The process will be conducted independently by computer program.

Additional forms to complete

Faith Application and Sports Aptitude application to be returned directly to the school.

Footnotes

*Common definitions can be found on page 26.

**An admissions zone has been identified for both faith and open places as two miles radius of the school's permanent location at Heckfield Place SW6 5BD.

Fulham Cross Academy

About our school

Fulham Cross Academy is a vibrant, inclusive, energetic and purposeful place to learn for all our students. We are a small school passionate about getting to know all of our young people and their families individually. Whilst we are a STEM school and promote Science, Technology, Engineering and Maths, we are also passionate about Humanities, the Arts, PE and other subjects and deliver them as part of our broad and balanced curriculum. We believe that all students should have the opportunity to flourish whilst they are with us in their lessons and broader enrichment activities.

We passionately believe that the quality of education is seen less in the questions that our students answer and more in the questions that they ask. We want students to leave us as well-educated, well-rounded

individuals equipped to navigate life beyond school into employment successfully.

Our Grade II Kingwood Building has stood for well over a century and is complemented by our state-of-the-art Science building, which is less than 18 months old. We have significant play space for a London School and we will have a new gym and canteen within two years. This makes Fulham Cross Academy a much sought-after place to learn.

We encourage people to come and visit us because choosing a school is about feeling what is right for your child and your family. We know that once you step inside the building you will get a real sense of who we are and what we are about.

Fulham Cross Girls' School

About our school

Fulham Cross Girls' School is an academically rigorous girls' school with high expectations and exceptional GCSE results year after year. We have consistently been in the top 2 per cent of schools nationally for the progress our students make. We make no apologies for expecting all of our students to work hard and achieve their best possible grades.

We believe in empowering tomorrow's women. Research shows that: "Girls do better, in terms of educational attainment, at single-sex schools" (Dr Alice Sullivan, Institute of Education, University of London). "Girls' schools minimise stereotyped, gender-weighted expectations. There is no such thing as a girl's subject or a boy's subject and girls are free to follow their inclinations with little of the pressure they might otherwise feel" (Girls School Association, *Benefits of Girls' Schools*).

Our EMPOWER ethos is a set of values that underpin everything we do. We aim to educate, empower and build leaders for the future. To be empowered at Fulham Cross Girls' school students should be: Excelling academically every day, Mindful, Presented with Pride, Open-minded, Working hard, Embracing Opportunities and Respecting our Community.

In addition, we use the EMPOWER charter to drive our compulsory extracurricular programme which is built into the curriculum and covers 15 additional courses.

We provide a wealth of opportunities to learn outside the classroom but to also have fun, laugh together and take opportunities for teamwork and being creative. Students participate in many varied trips in the UK and abroad.

For more detailed information about the school, please visit their website: www.fulhamcross.net

Admission criteria

The below criteria has been summarised and you will need to refer to the school's website for the full admission policy and arrangements: www.hammersmithacademy.org/admissions

You can also obtain further information by visiting the school on the dates set out below.

All students who are applying for a place at Hammersmith Academy for Year 7 will be required to take a fair banding test. The purpose of this non-verbal reasoning test is for the Academy to achieve a genuine spread of ability. The results of the test will place the students in one of five ability bands.

After the allocation of children with an EHC plan*, the admission criteria will be applied in the following order of priority:

1. Children Looked After or previously Looked After*.
2. Pupils living in the Academy admissions priority area on the basis of straight-line distance*.
3. Siblings outside the academy admissions priority area on the basis of straight line distance.
4. Pupils living **outside** the Academy admissions priority area on the basis of straight-line distance*.

Admissions priority area

A basic map is provided on the next page. Please refer to the school's website for a detailed priority area map.

Additional forms to complete

Due to the coronavirus disruption, the school has been unable to confirm the banding test details. Please visit www.hammersmithacademy.org for more information. Forms are available from the Academy website or directly from the Academy office. Please continue to visit the school's **Fair Banding web page** for published dates and the registration form.

Sixth form

The Academy will aim to admit 125 students into Year 12 each year, who meet the published admissions

criteria for sixth form entry, both from the Academy's own Year 11 and from external schools. Please see the school website for information on applying to sixth form: www.hammersmithacademy.org/about-us/sixth-form

The Hurlingham Academy

About our school

We are extremely proud of our school and the transformation that has occurred here since 2015. We remain the top performing non-selective, co-ed school in the borough and each year we are thrilled to see our students go on to quality further education institutions. Rigorous teaching and learning are embedded in all subjects across a wide and interesting curriculum. All pupils are stretched and challenged on a daily basis and as a result, outcomes at both KS3 and KS4 are well above national average. Pupils are expected to value and respect their education and consequently engage thoroughly in their learning.

We are a small school and we benefit greatly from being a close-knit, diverse and respect-based community in which pupils are known and nurtured individually. Pupils are happy and safe at The Hurlingham Academy

and as a result they flourish as learners and make expected progress.

We also take our responsibility to nurture young people seriously and seek to do this properly and carefully. We invest a lot of time and thought into creating meaningful and impacting enrichment, PSHE and pastoral programmes. We want our students to be able to explore and think deeply about their role as citizens in this complex world and to consider their individual responsibility to their own communities.

We are rightly proud of our school and our pupils and we have an open-door policy. Parents and visitors are welcome to come in and tour our school without the need for an appointment. We look forward to showing you all we are doing each day!

The Grammar Stream

What is a Grammar Stream?

A Grammar Stream is a group of 28-32 highly academically able students. They will be taught a more challenging and in-depth curriculum from Year 7 onwards, as well as having access to a programme of extracurricular opportunities that will put them on the path to the world's best universities.

Why are we creating a Grammar Stream?

The Hurlingham Academy is, and always will be, a comprehensive school. However, we recognise that many of our students join us having performed at the highest level in primary school and require an additional level of challenge to reach their potential. The rationale for the Grammar Stream is to ensure that our most academically capable students have the opportunity to compete at the highest level at A-level, at university and in the job market, alongside their grammar school and privately educated peers.

Whilst they are at The Hurlingham Academy, the foci for Grammar Stream students will be:

- To gain a set of GCSEs at grades 7-9.
- To aspire to perform at the highest level in their chosen field.

- To raise their aspirations to performance at the highest level in their chosen field.
- To explore a range of extracurricular opportunities that will help them to develop their own passions and become responsible young citizens, who care for their communities and who are committed to bettering them.

What will be different about the Grammar Stream curriculum?

A key aspect of the Grammar Stream curriculum is that students will study two languages from Year 7 onwards: Spanish, as well as either French or Mandarin. We believe that the ability to communicate with others around the world will be vital for success in a twenty-first century world. In addition, a focus on languages will help to build a greater cultural understanding and will maximise students' opportunities to work and study abroad in the future. Please see our website for more information.

School information

Lady Margaret School

About our school

Lady Margaret School is a Church of England academy for girls aged 11 to 18 in the London Borough of Hammersmith and Fulham. It is an outstandingly successful school in welcoming girls of all academic abilities and ensuring that they achieve their full potential.

Its success is based on a culture of high expectations and aspirations, excellent standards of teaching and a strong commitment to the Christian ethos. However, it remains an inclusive school and girls from other faiths or those who have no religious beliefs at all are welcomed.

Established in September 1917, the school seeks to offer a safe, caring and intellectually stimulating environment supported by a strong programme of extra-curricular activities that enables students to go on to lead fulfilled and enriched lives.

A majority of students stay on in the Sixth Form that has high academic standards. This enables girls to choose undergraduate courses at universities of their choice, including Oxbridge, Imperial and UCL as well as art and music colleges.

For more detailed information about the school,
please visit their website: www.ladymargaret.lbhf.sch.uk

Apply online: www.lbhf.gov.uk/schooladmissions

Lady Margaret School

Admission criteria

The below criteria has been summarised and you will need to refer to the school website for the full admission policy and arrangements:

www.ladymargaret.lbhf.sch.uk/admissions/year-7-admissions 

You can also obtain further information by visiting the school on the dates set out below.

Foundation and open places

67 foundation places will be reserved for girls who have attended services at a Church of England church or churches at least fortnightly for a minimum of three years up to the date of application. We will take up a reference from a vicar in order to assess each application for a foundation place.

53 open places will be reserved for girls of any, or no, religion. Unsuccessful applicants for foundation places will automatically be considered for open places. There is no need to fill in a separate Additional Information Form – one form covers both foundation and open places.

Ability bands

Applications for foundation and open places will be separately divided into the three ability bands making six categories, depending on the girl's ability and the nature of her application:

1. **Foundation band 1:** 17 places for girls of above-average ability who are entitled to apply for foundation places.
2. **Foundation band 2:** 33 places for girls of average ability who are entitled to apply for foundation places.
3. **Foundation band 3:** 17 places for girls of below-average ability who are entitled to apply for foundation places.
4. **Open band 1:** 13 open places for girls of above-average ability.
5. **Open band 2:** 27 open places for girls of average ability.
6. **Open band 3:** 13 open places for girls of below-average ability.

Priority of applications

After the allocation of children with an EHC plan*, the admission criteria will be applied in the following order of priority:

1. Children Looked After or previously Looked After*.
2. Siblings*. A girl does not qualify for sibling priority if:
 - a. her older sister will not be a pupil at the school in the admission year; or
 - b. her home address is at a greater straight line distance from the school than the home address of her older sister at the time of the latter's admissions; or
 - c. her older sister first joined the school at Year 12.
3. Distance from home to school*.

Additional forms to complete

The supplementary form – there are two distinct and separate systems for submitting the Year 7 Additional Information Form to Lady Margaret School. You can either submit it **online**  or use the printed version. Those applying online should follow the instructions given on the website. Documents may be uploaded.

The London Oratory School

About our school

Trad, but quirky, The London Oratory School is amongst the city's most prestigious Catholic schools.

Educating boys from 7 to 18, with girls in the sixth form, it puts a strong emphasis on music with a liturgical twist, all as part of a broad, liberal arts curriculum.

Sacramental Catholicity sits at the base of the school, with Mass, Benediction and Confession regular parts of a pupil's experience. Principled pastoral formation takes place within this spirit and tradition, with the school taking seriously its role in shaping the character of pupils through an explicit and intentional approach based on the cardinal virtues and inspired by the greats of the Catholic tradition.

In addition to the more mainstream curriculum subjects, expect pupils to study a solid intellectual diet of RE, Latin, and Modern Foreign Languages. Outside of the classroom, we offer a thriving co-curricular programme that features Rugby, Water Polo, Cricket, Athletics, and even Boxing, where the school is registered as an amateur club. But that's not all: whether pupils wish to 'tread the boards' in our theatre, or test their mettle in the challenges of the Combined Cadet Force, we aim to enable every pupil to unearth their talents and to actualise their human potential. Enjoying a thriving, active and supportive alumni community, the school ensures that your association with it will extend well beyond your time here.

For more detailed information about the school, please visit their website: www.london-oratory.org

Apply online: www.lbhf.gov.uk/schooladmissions

The London Oratory School

Admission criteria

The below criteria has been summarised and you will need to refer to the school's website for the full admission policy and arrangements:

www.london-oratory.org 

You can also obtain further information by visiting the school on the dates set out below.

After the allocation of children with an EHC plan*, the admission criteria will be applied in the following order of priority:

The oversubscription criteria below will be applied in order of category. Within Category B each criterion is applied in the given order to determine which applications go forward for consideration against the next criterion. This means those who meet criterion 1 are carried forward for assessment against 2, then those meeting both 1 and 2 are carried forward for assessment against 3 and so on to produce a ranked list.

Category A

Catholic boys Looked After and Catholic boys who have been adopted, or made subject to child arrangements orders or special guardianship orders, immediately following having been Looked After*.

Category B

Catholic boys from practising Catholic families with a Certificate of Catholic Practice. Within this category the following candidates will have priority:

1. Candidates who have a sibling at the school on the date of admission to the school. Candidates meeting this criterion will be placed at the top of Category B.
2. Candidates who are a sibling of a former pupil. Candidates meeting this criterion will be placed at the top of Category B after any candidates meeting (1) above.
3. Candidates who have a parent/guardian who is a member of staff.

4. Candidates who at the time of application attend the Oratory Primary School, Bury Walk, Cale Street, SW3 6QH. Candidates meeting this criterion will be placed at the top of Category B after any candidates meeting (1) and/or (2) above.

Category C

Other Catholic children.

Category D

Other Children Looked After or previously Looked After.

Category E

Catechumens and members of an Eastern Christian Church.

Category F

Any other children.

Tie-break

In the event of a tie for a place after the above criteria have been applied, a ballot system of random allocation will be used with each tied candidate's name being entered into the ballot and names then selected randomly by an independent external organisation, until a rank of all candidates has been established.

If the school is oversubscribed by Catholic applicants with a Certificate of Catholic Practice, only children from Category B will be included in the tie-break.

Additional forms to complete

Supplementary Information Form (SIF) to be returned direct to school.

Phoenix Academy

About our school

Our recent Ofsted grading of 'good' in March 2019 shows the level and pace of improvement we have undergone. Recent results from 2018, put us as the most improved school in London and fourth nationally. Academic outcomes have improved year on year since 2018.

Our strict, but warm approach to behaviour means that students focus is on their academic progress and they are supported to achieve, while strong teaching and learning enables this to happen.

We are also firm believers in students being given the chance to thrive outside of the classroom, and our programme of free compulsory clubs and an adventure learning programme provide such opportunities.

We'd like to welcome you on our journey to make Phoenix a top academic institution for years to come.

Sacred Heart High School

About our school

Sacred Heart High School is an 11 to 18 very high achieving Catholic comprehensive school for girls.

Established by the society of the Sacred Heart, its mission and vision are underpinned by gospel values, a community of faith and tradition and the pursuit of excellence for all.

The school prioritises a vibrant learning environment where all are valued and challenged to fulfil their unique potential, supported by high quality learning experiences and opportunities. Through this pupils are encouraged to take their place in the world as young women of faith and global citizens, confident in their abilities and talents and with the desire to make a positive difference.

Sacred Heart High School

Admission criteria

The below criteria has been summarised and you will need to refer to the school website for the full admission policy: <https://bit.ly/3BRbe13> 

You can also obtain further information by visiting the school on the dates set out below.

To preserve the school's comprehensive character by establishing a balanced intake across the ability range, the school will allocate all candidates into one of three bands by means of a non-verbal reasoning test. Admission will be as near as possible to the ratio of 25 50 25 of the national ability range. Once allocated to an ability band, the test result will have no further relevance to the outcome of an application. In the event of oversubscription in any band, it will be the admissions criteria and not the test score which determine whether or not a place is allocated.

Accordingly, in 2023 the school will admit 198 pupils into year 7 divided as follows:

- 49 girls allocated by the school to band 1;
- 100 girls allocated by the school to band 2; and
- 49 girls allocated by the school to band 3.

After the allocation of children with an EHC plan*, the admission criteria will be applied in the following order of priority:

Oversubscription criteria

1. Catholic girls Looked after and Catholic girls previously Looked After.
2. Catholic girls with a certificate of Catholic Practice.
3. Catholic girls **without** a Certificate of Catholic Practice.
4. Other girls Looked After.
5. Members of the Catechumenate of a Catholic Church and members of Eastern Christian Churches.
6. Any other girls.

The random allocation process

If there are more girls in any oversubscription criterion group than places available, the places within that group will be allocated on the basis of random allocation within each ability band.

The random allocation process will be carried out electronically by an organisation wholly independent from the school. The independent organisation will electronically create a random order for applicants and places will be awarded in this order.

Tie-break

Where two applications cannot otherwise be separated because they live an equal distance from the school, the order in which places will be allocated will be determined by the drawing of lots in the presence of an independent witness.

Additional forms to complete

Supplementary Information Form (SIF) to be returned direct to school.

Sixth form

The school's admission arrangements for its Sixth Form (Years 12 and 13), including the oversubscription criteria applicable to external candidates; the academic entry requirements for all sixth form candidates and courses; how to apply and relevant dates, are contained in the separate Sixth Form Admissions Policy 2022/23.

Please see the school website for information on applying to sixth form: <https://bit.ly/3xdswSr>

West London Free School

About our school

From its foundation in 2011, the West London Free School has been at the forefront of education, both locally and nationally. Our classical liberal ethos is based on academic excellence, delivered through a knowledge rich curriculum. We believe that knowledge is a good thing, empowering pupils to understand and take an interest in the world around them. As such, our teachers are all subject experts who pride themselves on being able to inspire the same passion in the pupils they teach.

The school also values participation in activities outside of the classroom, and pupils are encouraged to try new challenges, whether on the sports field, in music and art, or in many of the co-curricular clubs we offer, such as rowing, debating, ceramics and chess.

Our thriving House system encourages a sense of friendly competition between pupils, but also a sense of community between year groups.

Our core values are kindness, hard work and high standards. We place great emphasis on politeness and good conduct from our pupils, and expect them to demonstrate the highest standards of behaviour at all times. Central to helping our pupils develop as fulfilled, happy young adults is our exemplary pastoral care. Form tutors, heads of year and senior staff are all available to provide extra care and assistance to pupils.

We pride ourselves on being a hard working but happy community in which all our pupils can thrive.

For more detailed information about the school, please visit their website: www.wlfs.org

Apply online: www.lbhf.gov.uk/schooladmissions

West London Free School

Admission criteria

The below criteria has been summarised and you will need to refer to the school's website for the full admission policy and arrangements:

www.wlfs.org/year-7 

You can also obtain further information by visiting the school on the dates set out below.

After the allocation of children with an EHC plan*, the admission criteria will be applied in the following order of priority:

1. Children Looked After or previously Looked After but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order).
2. Children whose parents are founders of the West London Free School and who have been granted this provision by the Secretary of State for Education.
3. Up to 12 children who have applied to be considered under the musical aptitude scheme. More information about how to apply for a musical aptitude test, as well as an application form, can be found on the school's [website](#) .
4. Children of the school's staff and children of the Knowledge Schools Trust's staff who've been employed for two or more years at the time at which the application for admission to the school is made or who have been recruited to fill a vacant post for which there's a demonstrable skill shortage.
5. Up to 45 places will be offered to children who receive the Pupil Premium Grant and who (a) attend West London Free School Primary, Earls Court Free School Primary or Kensington Primary Academy and/or (b) are a sibling of a child who will be a pupil at WLFS when the child is admitted and/or (c) live within a radius of two miles from the front gate of the School. If there are more than 45 applicants in this category places will be offered on a random allocation basis.
6. Children who will have siblings in the school at the time when they are admitted to the school, providing their siblings joined the school prior to September 2023. For the siblings of any child who joins during or after September 2023, the sibling link will only apply if the child and siblings live within a radius of two miles from the front gate of the school. If there are more applicants in this category than there are places, places will be offered to those children on a random allocation basis.
7. All children who are pupils at the West London Free School Primary and the Earl's Court Free School Primary and live within a radius of two miles from the front gate of the school and have not already been admitted under the PPG priority in criteria 5. If there are more applicants in this category than there are places, places will be offered to those children on a random allocation basis.
8. Children who will have siblings at the West London Free School Primary at the time when they are admitted to the school and live within a radius of two miles from the front gate of the school. If there are more applicants in this category than there are places, places will be offered to those children on a random allocation basis.
9. After places have been filled under the first eight criteria, the remaining places will be offered on a random allocation basis within a radius of two miles from the front gate of the school.

Tie-break

In the event of two or more applicants tying when any of the admission criteria is applied, positions will be determined by random allocation supervised by someone independent of the school.

For example, this may occur when children in the same year group live at the same address or if the distance between the home and school is exactly the same.

Footnote

*Common definitions can be found on page 26.

School information

West London Free School

Twins and same-year siblings

Where applications are received from multiple birth or same-year siblings the following procedure will be followed: if one child is selected for a place according to one of the numbered oversubscription criteria, the multiple birth/same-year sibling will be ranked immediately below Children Looked After.

Additional forms to complete

Music aptitude application to be returned to the school.

Musical aptitude scheme

Full details of the specialist music scheme are given on the school's website:

www.wlfs.org/admissions/musical-aptitude 

Parents and carers who wish their children to be considered for a specialist music place must complete a supplementary application form. A candidate for a specialist music place will be required to attend a musical aptitude test at the school.

Further details of the location and times for tests will be sent to applicants for specialist music places.

The results of the aptitude tests will be used to determine the offer of places under criterion 3. The school will take all reasonable steps to inform parents of the outcome of selection tests before 31 October 2022.

In-year admissions

 www.lbhf.gov.uk/schooladmissions

 020 8753 1085

An in-year admission is when an application for a school place needs to be made outside the normal admission round (the first year of entry to a school). In most cases your reason for making an application will be that you have moved to a new address, moved from abroad or you would like to transfer your child from one school to another. There is a separate process for applying in-year for a school place.

Special Educational Needs and Education, Health and Care plans

 020 8753 1021

 send@lbhf.gov.uk

Most children and young people with Special Educational Needs (SEN) and/or disabilities will have their needs met within local mainstream early years settings, schools or colleges. Hammersmith & Fulham works with all settings to help them with identifying, assessing and making provision for pupils with SEN. All mainstream school and college settings have funding so that they can meet the needs of pupils with SEN.

If you are applying to a new school and you think your child may have a special educational need, the first step is to talk with the headteacher and/or SENCO when you visit the school. They will be able to talk to you about the support they provide for children with learning needs and how they could meet your child's needs. They must also publish this information on their websites: this is usually called their SEN Information Report.

The local authority expects all mainstream schools to support children with special educational needs, and to work with parents to develop an SEN Support Plan: this will record what is happening to support your child, and the progress she/he is making as a result.

Some children and young people with SEN or disabilities may need support that cannot be provided from the resources of a mainstream school alone. Once all the resources and support in the school have been put into place and there has been time to see what the effect is, the school may then discuss the possibility of an Education, Health and Care (EHC) Needs Assessment

with you. This assessment is coordinated by the local authority and as well as education, it involves health and social care assessments. However, the school would discuss this in detail with you before requesting an assessment, and an assessment would only take place with your clear agreement.

If your child already has an EHC plan, the information relating to the application process set out in this brochure does not apply to you as the local authority needs to work with you to agree the best place for your child. To discuss these arrangements, please contact the EHC Planning Service on 020 8753 1021 or send@lbhf.gov.uk 

Support for school attendance

 020 8753 6600

After you have been allocated a school place, making sure your child attends school regularly and on time every day is really important, not only to make sure they have the best possible chance to get the most out of their education but also because children who are not in school are more likely to get into trouble outside school or be vulnerable. Parents have a legal responsibility to get their children to school, but if you are having difficulties with this, it is important you talk to school staff, who are there to help you.

You or school staff may feel you need some extra help. Hammersmith & Fulham Council has professional staff who work with families and with children who are not attending school. They are based in the Family Support Service (FSS) www.lbhf.gov.uk/fss  and can be contacted on 020 8753 6600. This multi-disciplinary team will work with schools, children and parents to improve children's school attendance and reduce unnecessary absence and truancy.

There is also a central team – the ACE Team – located on the 3rd Floor, 145-155 King Street, contact 020 8753 6231. The ACE team concentrate on the following areas of work: statutory action in relation to school attendance (issuing penalty notices or processing legal action on behalf of schools for entrenched non-attendance, when FSS are not involved), child employment and children in entertainment, elective home education and children missing education.

Additional information

Support services

Disabled Children's Team

☎ 020 8753 3321

This team offers information, advice, support and practical help to families with children who have a permanent and substantial disability or long-term illness that affects their everyday living. The team offers advice on how to access services available for children and young people who have disabilities. The initial way to contact the team is through the duty social worker who is available on 020 8753 3321.

Educational Psychology Service

☎ 020 8753 6604

Every school has a link educational psychologist (EP) – a specialist in how children, young people and young adults develop and learn.

Schools have a limited amount of free access to an EP to support them to manage Special Educational Needs processes and systems. In addition schools can buy in school visits from their link educational psychologist.

Help may be asked for when pupils show difficulties with their social-emotional development (including wellbeing/mental health), behaviour, learning or

progress generally in school. Educational psychologists can only directly work with a named pupil if parents/carers give informed consent. Parents/carers themselves may ask for their help through the school.

Educational psychologists can also provide general consultative support and guidance for groups or school wide issues as well as research and training.

Fair access protocol

🌐 www.lbhf.gov.uk/schooladmissions

☎ 020 8753 1085

Every school is committed to taking its share of vulnerable children who are hard to place in accordance with locally agreed protocols. Accordingly, outside the normal round of admissions, the school governing bodies are empowered to give absolute priority to a child whose admission is requested under Hammersmith & Fulham's fair access protocol, which carries the agreement of both the governing body and local authority for the current admission year. School governing bodies have this power even for cases when admitting such a child would cause the school to exceed its published admissions number.

Additional information

Support services

Free school meals and school clothing grants

📄 www.lbhf.gov.uk/contact_counciltax_benefits

☎ 020 8753 6681 (option 4)

For information about and to apply for free school meals and school clothing grants please complete the form at www.lbhf.gov.uk/studentbenefits 📄

For further advice, you can contact the team by emailing benefits@lbhf.gov.uk 📄 or calling 020 8753 6681 (option 4) between 9am and 5pm.

Schools also receive additional funding from the central government based on the number of students registered for free school meals (£1,320 per student for primary schools and £900 per student for secondary schools). This money funds valuable support like extra tuition, additional teaching staff or after school activities. We encourage all families who think they may be eligible to apply for these benefits.

Eligibility

Your children qualify for free school meals and/or clothing grants to buy school uniforms if you receive any of the qualifying benefits:

- Income Support
- Income-based Job Seekers Allowance
- Income-related Employment and Support Allowance
- Guaranteed Pension Credit
- You are supported under the National Asylum Seekers Support System (NASS)
- Child Tax Credit, but not Working Tax Credit and have an annual taxable income of less than £16,190
- Universal Credit (provided you have an annual net earned income of no more than £7,400).

More information on clothing grants

If you live outside Hammersmith & Fulham, you should apply to your own authority. The criteria for qualifying for clothing grants are the same as listed above for free school meals entitlement.

Universal Credit transitional protection

Pupils currently receiving free school meals will continue to receive them while Universal Credit is rolled out.

This will apply even if your earnings rise above the new threshold during that time. Once Universal Credit is fully rolled out, pupils receiving free school meals but who no longer qualify for them because your earnings have risen above the new threshold will continue to receive them until the end of their current phase of education (primary or secondary).

Assistance with home-to-school travel

📄 www.lbhf.gov.uk/schooladmissions

☎ 020 8753 1085

The Free Travel Scheme across London for under 18 has been suspended by Transport for London (TfL). The reason behind this is to encourage pupils to walk or cycle rather than use public transport.

The statutory walking distance required for a child aged up to eight years is two miles, while for children aged eight to 16 years it is three miles. Parents are therefore advised to consider this in making their choices of schools.

The admissions team will be able to advise if your child will qualify for a travel support grant. Contact 020 8753 1085 or email school.admissions@lbhf.gov.uk 📄

Additional information

14 to 19 education options

Education choices for 14 to 19 year olds

A separate brochure is produced which provides detailed information on the education choices for 14 to 19 years olds in H&F and beyond. *Pathways to Success, Education Options for 14 to 19 year olds* is available from www.lbhf.gov.uk/14to19pathways 

University Technical Colleges (UTCs)

UTCs provide free, vocational education to secondary school-aged children of 14 to 19 years. They especially focus on STEM subjects (Science, Technology, Engineering and Mathematics), combining academic with technical and practical learning. UTCs are backed by employers and local universities and are set up to provide real life projects as part of the curriculum to bring students' learning to life.

Students who opt to go to a UTC can expect to study in up to two specialisms in addition to opportunity for GCSEs and A Levels.

There is no UTC in H&F and the nearest one is based in Lambeth:

William Morris Sixth Form

William Morris Sixth Form (WMSF) was established in 1994 as the country's first 16 to 19 comprehensive school, providing education to students from Hammersmith & Fulham as well as young people from across the whole of London.

The sixth form offers a very wide range of subjects at AS and A Level, BTEC, GCSE and the Extended Project Qualification, as well as an extensive enrichment and sports programme. The sixth form has a long-standing reputation for providing a supportive and inclusive environment where the needs of each individual student are understood and met. Each year nearly 300 students successfully progress to university, including Russell Group universities and Oxbridge.

WMSF is able to admit up to 400 new students each year and welcomes applications from all students who will be aged 16 to 18 on 31 August in the year of starting their programme. WMSF is oversubscribed, so it is strongly advised all students apply before the end of January to secure an interview.
