GLA Cultural Impact Award – H&F

- The focus for the award is young people, creating the opportunity for **long-term change through social integration** and by countering issues such as knife crime through innovative arts and cultural provision, using music as the medium.
- The programme will be a catalyst for change, providing opportunities to **foster and facilitate collaboration** between music professionals and lay people of all backgrounds and abilities.
- Our model seeks to provide opportunities for **local talent to grow** whilst providing longer term sustainable training and employment roles.
