

# Reception class taking a woodland walk with a forest school leader

All photography courtesy of All  
Saints CE Primary School

Practicing skills  
as we walk –  
How do we walk  
through nettles?

# The bat boxes

Checking the bat boxes regularly to see signs of life and the changing life of the tree too!

Children learning  
about pattern by  
jumping on the  
bricks!

Sensory  
experiences  
that feel  
good!

Friends who  
are role  
models

Developing observation skills

Time for  
talk...again!

The Reggio Emilia experience relived in England – creating and sharing successful visual images from natural objects

Hide and  
seek or  
a bug  
hunt?

Singing songs  
together on the  
way back to  
school
