

This week at Forest School. Thursday 15<sup>th</sup> October.

It was such a lovely day for Forest School today.

Once again, we came across a house in the woods. It had been left a bit messy! Who could have left a house like this, we wondered?

We read the story of Goldilocks and the Three Bears. Perhaps it was Goldilocks who had left the mess? We decided to make the bears some more porridge.

We made a fire, collected some leaves and acorns and cooked them in a pan. That made us hungry so made some porridge for us too.

Yummy

Watch out for those bears!

Time for a run around and swing before we go back to nursery.

Or maybe a spot of fishing?

Phew! What a busy day.
