

Dear Guest,

## 60th Anniversary Awards Evening & AGM

This year marks the 60th anniversary of the Hammersmith Society, and we would like to extend an invitation to you for our Awards Evening and AGM on this special occasion, to be held on **Wednesday 22nd June 2022**, in the main hall of **Latymer Upper School** in King Street, W6 9LR.

There'll be a reception with refreshments from **6.30pm** followed by a 7pm start for the Awards presentation and AGM.

One of our themes this year is to re-engage with local organisations and civic societies - an original object of the Society set out in [our constitution](#). Please come and talk to me or one of the committee about joining individually, or becoming an affiliate organisation.

Our guest speaker for this important anniversary is **Nicholas Boys Smith**, the founding Director of social enterprise Createstreets and the Create Streets Foundation, which exists to help create and steward beautiful and popular places of 'gentle density'. He is chair of the advisory board of the Government's 'Office for Place', known formerly as the 'Building Better, Building Beautiful Commission' which he also co-chaired.

**Awards** are, of course, a significant part of the evening, and below we show a collage of this year's nominations. The [nominations page](#) on our website shows them in more detail, with more background on the Awards process.

We look forward to seeing you next month,

Richard Farthing  
Membership Secretary
