

# H&F PRIMARY SCHOOLS

The JCT are an integrated team and will work in partnership with setting/school staff, other professionals, parents and children and young people to maximise **communication for learning, socialisation and independence**

## SLCN TRAINING & RESOURCE OPPORTUNITIES

As part of a commitment to addressing the needs of **SEN Support** pupils, INSPIRE JCT are delivering free trainings for **Targeted Interventions for pupils with identified Speech, Language & Communication Needs**.

Using evidence-based programmes, **targeted interventions** offer specific support for a wide range of children and young people, including those with expressive, receptive and/or social communication difficulties.

**Targeted Interventions** will enable children and young people to effectively manage strategies in the classroom. Following the training INSPIRE JCT can also offer modelling with support, guidance and mentoring for school staff.

These online trainings support the Graduated Approach. Training delivered and fully supported with follow up by INSPIRE JCT SLCN Specialists.
