Dear Parents / Carers,

### **SEND Survey**

At Hammersmith and Fulham Council we have high aspirations for our children and young people with SEND and we are committed to ensuring services provide the right support at the right time.

We therefore want to gather feedback from families to understand your experiences of SEND services in H&F to enable us to continue to review and improve local services.

Please complete this short survey to share your experiences by clicking on the link below:

We really appreciate your feedback. The survey will close on 31 January 2023.
