SEND Survey

Dear Headteachers and SENCOs,

At Hammersmith and Fulham Council we have high aspirations for our children and young people with SEND. We are committed to ensuring services provide the right support at the right time.

We therefore, want to gather feedback from settings in relation to our SEND Support offer to understand your experiences of these services to enable us to continue to review and improve them.

Please complete this short survey to share your experiences by clicking on the link below:

The survey should only take a few minutes to complete, and we really appreciate your feedback.

We will be shortly releasing our SEND Strategy and SEND Sufficiency Review for consultation and will be inviting you to attend a series of workshops to review these alongside our Ordinarily Available Offer.

The deadline for completing the survey is 31 January 2023.

Yours sincerely,

Peter Haylock

Operational Director for Education and SEND
