

SEND Early Years Transition to School Support 2024

We are excited to offer support to our early years providers who have children with SEND that will be transitioning to school in September. It will enable you to share knowledge about your SEND pupils with your colleagues in schools.

The way the this is working:

Please email isabella.english@lbhf.gov.uk to arrange a meeting with a member of the EY inclusion team. Please include in the email any particular schools you would like support connecting with or other relevant information.

This will be on a needs led basis. Once your email is received, a member of the team will be allocated to support with your request. Once a member of the team has been allocated, they will email you to arrange a visit or Teams call for support. Please ensure you have completed the transition forms and have these to hand during support visits/calls.

NOTE: We expect **ALL** providers to complete the transfer forms. We will be asking schools to get in touch with us if they do not received any transfer forms.

The inclusion team are available for further support.
Please email isabella.english@lbhf.gov.uk to arrange an informal conversation with the teams Educational Psychologists, Speech and Language Therapist or EY Inclusion Advisor.

Any questions please email:
